

Puppy Agreement

1. A refundable deposit of \$ 500.00 has been paid for your selected puppy. Remaining payments are due **at the time of pick-up day.**
2. Puppy will be ready to pick up at 8 weeks and will come with active FL Health Certificate, age-appropriate shots, and de-worming. We cannot hold puppy for BUYER unless mutually agreed upon prior and must be picked up on scheduled day. **If you are unable to take receipt of your puppy until after the prearranged delivery date, we will board your puppy for a cost \$20/Day to cover expenses associated with the extended stay.**
3. Puppy prices range depending on color, size, and markings and will be determined at time of birth. If female dog does not get pregnant, deposit is refunded or transferred (BUYERS CHOICE) to the next litter of your choice (pricing may change depending on what litter). If female does not have enough puppies depending on your pick spot, you are then moved to the top of the list, next litter. Spot is placed in the next available spot and will be notified promptly.
4. At the expense of the BUYER, this dog should be examined by a licensed veterinarian within 72 hours of possession to validate health guarantee. It is highly recommended to schedule ahead of time to meet the required timeframe.
5. We the Seller cannot guarantee the size or color at the puppy's adulthood. Estimates are based off bloodline, and puppy parents.
6. Should puppy die from a communicable disease (Does not include parasites or hypoglycemia) within 14 days of purchase, and BUYER promptly sought treatment by licensed veterinarian, and if said vet certifies in writing that the pup was thought to been exposed to the disease prior to leaving our home, BUYER will get full refund of purchase price within 14 days of certification of death. BUYER must send certification (autopsy report only required if Vet is unsure of the cause of death) to SELLER prior to receiving refund.
7. **This dog/puppy has been sold as a pet and is not to be used for breeding purposes.** SELLER requires BUYER to spay/neuter the dog/puppy by the age of 10-12 months (Vet will determine age-appropriate date). Verification is to be sent to the SELLER by the end of the 10-12 months and the licensed veterinarian who surgically performed the altering must sign the document. Failure to send verification to SELLER will void your health warranty.
8. BUYER releases SELLER Jocsan & Glorian Cordova from any and all liabilities and/or damages by fault of this dog after the time of sale.

Health Guarantee

We have taken many steps to ensure that your dog is healthy and lives a happy life. Your dog/puppy has been selectively bred for excellent health, quality, temperament, and intelligence. Seller warrants the dog/puppy to be in good health at the time of sale and that the dog/puppy has received all age appropriate shots & de-worming's. The dog/puppy has also been examined by the sellers licensed vet and leaves Sellers possession with a good bill of health.

Seller requires Buyers to keep dog/puppy on a regular vaccination schedule, high grade diet, yearly vet appointments, and on a monthly heartworm preventative by a licensed veterinarian. If these requirements are not met, the two-year health guarantee shall be null and void.

If the puppy has a genetic defect determined by a licensed veterinarian within the one year (guarantee ends when the pup turns ONE year) a full refund will be made or another dog of equal value, the choice to be determined by the SELLER, BUYER must return puppy (at BUYERS expense) within one month of the exam detected of the defect before replacement will be made. SELLER must also have a letter from the licensed veterinarian, with address, telephone, and the defect detected before any replacement puppy is given.
